

PUBLIC HEALTH INSPECTORS

June 2015

We are located in the Government of Canada Building, 1016 La Ronge Avenue, La Ronge, SK. Public Health Inspectors for the three northern health authorities (Mamawetan Churchill River, Keewatin Yatthe and Athabasca) cover the entire northern part of the province. The contact information and map will help you identify who to contact for each community.

Public Health Inspectors enforce The Public Health Act, 1994, and regulations governing food service, public accommodations, public water supplies, plumbing, private sewage works and tobacco control. We also provide consultation and education regarding environmental health issues and investigate complaints. Inspectors evaluate and monitor health and safety hazards and develop strategies to control risk.
